CREATIVE CHALLENGE PUPPET SHOW

Create a **Puppet Show** to entertain your family and friends. Make your puppets carefully, then create a show to perform at your home.

INSTRUCTIONS:

1. Create a puppet show by carefully cutting out the Arsenal cartoons on the next pages.
2. Attach them to sticks using sticky tape. You could use tightly rolled paper or lolly sticks.
3. Create an Arsenal-themed puppet show. Try and perform it from behind a sofa or table!

NO PRINTER? Why not draw Arsenal cartoon characters and make your own!

PRO TIPS

ASK AN ADULT – Ask an adult for help making these puppets.

USE CARD – Sticking the puppets onto card before you cut them out will make them stronger.

WRITE A SCRIPT – Create a play for the characters. It could tell the story of a match. Gunnernaut could score the winning goal in a final!
