## LEAH WILLIAMSON LETTER TO JAKARTA

**THE STORY:** In 2019 Leah visited Jakarta, Indonesia, to help Save the Children and The Arsenal Foundation launch the 'Coaching for Life' programme. The new football coaching programme helps and protects children affected by violence, conflict and poverty in both Jordan and Indonesia.

**THE VIDEO:** Click the video image to learn more about Leah's trip, the 'Coaching for Life' programme and the children it is helping in Jakarta.

**YOUR CHALLENGE:** Write a letter to the children on the 'Coaching for Life' programme in Jakarta. Tell them about your life in lockdown and how you are coping. Ask them questions about the situation in Jakarta. We are all going through a difficult time at the moment so make your letter as supportive as possible.

**We will make sure the children receive your letters.**

Use scrap paper or the **Writing Template** and share a photo of your letter on Twitter using **#AFCHomeLearning**.

### PRO TIPS

**TO WHOM?** - You could start your letter: 'To all the Coaching for Life children in Jakarta.'

**BE SUPPORTIVE** - Encourage the children to be brave, keep going and remember we will get through this tough time together.

**ADD QUESTIONS** - Ask about their daily life, what has changed recently or about the 'Coaching for Life' programme.
