

ARSENAL HOME LEARNING

CREATIVE CHALLENGE POSTER FOR THE PLANET

THE VIDEO: Hector Bellerin has been outspoken about many social issues we face today.

One issue he is passionate about is the impact of **plastic** on the **environment**. See what Hector says about it in this video.

THE CHALLENGE: Create a **poster** encouraging people to cut down on how much plastic they use. Include **two paragraphs** on your poster explaining the **problem** and possible **solutions**. Imagine it will be displayed at Emirates Stadium to help Arsenal fans think more about the environment. Make your design **informative, clear and eye-catching!**

You could use the **example** below and the **Pro Tips** to help you. Create your poster on plain paper or on our **Plain Template**.

EXAMPLE:

LET'S KICK PLASTIC TOGETHER

**PLASTIC
DAMAGES THE
PLANET AND GETS
INTO THE FOOD
CHAIN**

Describe the problem...

You could include:

- Plastic gets into food chains.
- It takes hundreds of years to break down.

Describe possible solutions...

You could include:

- Stop using disposable plastics.
- Recycle effectively.
- Buy second hand items.

PRO TIPS

INFORMATIVE – Your poster must explain the problem and put forward some solutions. How can we solve it?

CLEAR – The message must be clear. Use a title to make it obvious what the poster is about.

EYE-CATCHING – If your poster looks good and exciting more people will look at it and learn from the information.
