CREATIVE CHALLENGE DRAW HECTOR

Copy this cartoon portrait of Hector Bellerin in the second grid. Use the squares and **Pro Tips** to help you.

If you **don't** have a printer you can draw the grid carefully using a ruler!

PRO TIPS

LOOK AT THE GRID – Look very carefully at what is in each grid. Try to copy exactly what you see in each square of the grid.

SLOW DOWN – There is no rush with drawing. Carefully consider the next mark you will make with your pencil.

BE DECISIVE – Once you've considered your next mark be confident with it. Remember, there's no right or wrong with art.

SHARE YOUR FINISHED DRAWING ON TWITTER! Ask an adult to share your drawing using **#AFCHomeLearning**. We'll retweet our favourites!
