MATTEO GUENDOUZI DESIGN A FOOTBALL

Matteo Guendouzi is a stylish footballer both on and off the pitch. Imagine you had the chance to **design a new football** for him. The design should be modern and cool. Will you use lots of colour? Will you keep it more simple?

MAKE YOUR BALL
STAND OUT?

PRO TIPS

IMAGINATIVE – Try to make your football stand out from all other designs. Make it original.

ADD DETAILS – Label and explain the features of your football design. Include stats, materials and facts.

COOL – Don't make your design too busy. Sometimes the simplest designs look the best.
