## CREATIVE CHALLENGE YOUR TIMELINE

Kieran Tierney moved from his home in Scotland to London in the summer of 2019. Moving somewhere new—whether it is changing school, moving house or swapping clubs—is always a challenge. To help with a **new transition** it is good to look back at the key moments in your life and remind yourself how far you have come.

**Create your own timeline** and add the key moments of your life so far. Add in birthdays, changes to your family, starting school, winning awards, etc. Don't be afraid to put sad moments on your timeline as they are an important part of your story, too!

Use the example and the **Pro Tips** to create your timeline on our template or plain paper.
