Please note that in previous seasons, a number of disabled supporters have been found to have abused the Club's disabled supporter's concessionary scheme and, in exercising its above rights, the Club has subsequently withdrawn those individuals' memberships.

You should also be aware that you are responsible for your Personal Assistant's behaviour while they are attending Emirates Stadium with you and, in the event that they breach the terms and conditions, both you and your Personal Assistant may be ejected from Emirates Stadium and/or face other disciplinary or legal action.

We hope that you will understand the reasons behind these terms and conditions and that by abiding by the rules of the disabled supporters concessionary ticket scheme you are helping to keep this generous scheme available to disabled supporters now and in the future.
